FURNISHINGS FOR THE
WILDLY IN LOVE

Our Story

After Abby got married in 2019, Abby + Tina realized their passion to be in the wedding + event industry. After the wedding, so many people complimented the beauty of the decor and how unique it felt. We took the time and added pieces that were special to Abby + her husband and reflected them as a couple. We also made the space feel very comfortable for guests and they still rave about the decor to this day. We want to provide this feeling for ALL weddings + events!

Over the years, we have built our inventory to encapsulate a timeless, neutral, romantic and whimsy aesthetic that we are obsessed with. We pride ourselves with carrying items that are unique and often hand-built, making them one of a kind to our biz.

We are a rural boutique rental company that hopes to provide you with a curated collection of beautiful pieces for your event. We hope that some of our pieces speak to you or spark joy!

Our Hope

TIMELESS, UNIQUE RENTALS AT AFFORDABLE PRICES

We are a mother-daughter duo who have a passion for all things decor, weddings, + celebrating all of life's special moments - big + small. In between being a mom and Nanny to two littles, we have a serious love for running this little biz at our home just outside of drayton valley, ab. Our boutique rental company hosts a curated collection of timeless, neutral pieces that will make your event impossible to forget! We believe that a wedding or event should have a look + feel that reflects the couple or the person being celebrated. They are amazing + unique - so the decor should be too!

important info

We are located by Drayton Valley, ab for pick-up and drop-off of rentals. At this time we do not offer delivery of rentals. Please note that it is up to you to bring the appropriate vehicle/trailer to haul the rentals safely.

Rental prices listed are for one day events. Pick-up may occur up to two days before your event, and drop-off must occur within two days post-event. More days may cost extra, and is subject to availability.

SO,
how does this all work?!

1 Send us a list of the items you are interested in renting via email/our website form, along with your event date. We will let you know if those items are available for your date.

2 If your items are available, we will send a quote + contract via email. A signed contract is one element that is required to secure your rentals for your date. More will be explained in the rental contract.

3 The other element that is required to secure your items is a 50% non-refundable deposit. We accept e transfer, credit and debit.

4 Once both the signed rental contract and deposit are received, your items are secure for your date! (YAY!) Approximately a month before your event, please email us to book a pick-up and drop-off date, and you will pay the rest of your payment upon pickup of your rental items.

5 Once you have dropped off your items post-event, your damage deposit (10%) will be returned to you via e transfer if no damages have been done to rental items. More will be explained in the rental contract.

That's it!!
